Proposal for Kaily

Cozy Retreat in Lisbon Falls · lisbon-falls-retreat.lazy.vacations

Design & setup

FREE
During launch

Your site

- Designed around your place and your photos
- Looks right on every phone
- AI assistant that answers guest questions
- Local guidebook, built automatically
- Your Airbnb reviews, on your own site
- Inquiry form built in
- Readable by AI agents

Your editor

- Edit it like a blog post, not like Wix
- Change any text, photo, or section
- Restyle the whole site in one click
- Fine-tune fonts, colors, and shapes
- Choose which reviews guests see
- Add weather, social feed, and other widgets

Booking

- Guests book directly on your site
- Works with Hospitable, Guesty, Lodgify, OwnerRez
- Calendars stay in sync through your platform
- No platform yet? Guests send inquiries to you

Domain & account

- Your own domain or a free lazy.vacations address
- Ask for features on the wishlist
- Simple settings and billing

Hosting & support First month free

$50 per month
$25 for each additional property

- We host and maintain your site
- Your AI assistant, kept up to date
- We manage your forms and reviews
- New editor features as they ship
- Help from a real person, who is a host too

No lock-in. Cancel anytime and take your site with you, or leave it with us as a portfolio piece.

No credit card to start.
